

We are pleased to introduce Ascend's Illuminate Student Portal! This portal allows students and parents to access to the student's grades, assignments, and academic progress. This portal will provide you with insight and valuable data on your student's progress.

Please note that this portal is meant to be reflective of Progress Reports and Report Cards, therefore they will only show graded assessments.

To register for the portal, follow these steps:

1. Visit URL:
<https://ascendlearning.illuminatehc.com/>
2. Username will be your student's 9-digit OSIS number
3. Temporary password is BVMS2019
4. Click Login
5. Follow the directions to set your own custom password after a successful login
6. Select the GRADEBOOK option in orange to view your student's grades

If you have any questions, please reach out to our Academic Operations Associate, Tiffani Miller, at tmiller@ascendlearning.org or by calling 347-750-1111.
